WSC Q. 9. What is the work of creation.?

A. The work of creation is, God's making all things of nothing, by the word of his power, in the space of six days, and all very good.

We affirm that God is maker of all things. He made these things out of nothing, using no pre-existent matter (God alone is eternal). We also affirm that God made all things "very good." The world as we see it around us today exhibits warfare, deceit, disease, death. But, this is our fault, not God's. God made all things very good, in a state of innocence and uprightness.
