

Memorial Park Christian Preschool

Resources for Remote Learning

Remote Learning

Memorial Park Christian Preschool is dedicated to loving and learning. Since 1993, we have been supporting the community of children and their families by helping each child reach their full potential in a safe and nurturing Christian environment.

Out of an abundance of caution, it is now necessary for that learning to occur at home and online to help our community practice social distances. Here are some resources that may be of help.

Sample Schedule

The next several slides contain links to websites, documents, and printables that can be used for items on this schedule.

© Jessica McHale Photography

Time	Activity	Description
Before 9:00am	Wake up	Eat breakfast, make your bed, get dressed, put PJ's in laundry

8:00	Bedtime	All kids
9:00PM	Bedtime	All kids who follow the daily schedule & don't fight

Scholastic:

Even when schools are closed, you can keep the learning going with these special cross-curricular journeys. Every day includes four separate learning experiences, each built around a thrilling, meaningful story or video. Kids can do them on their own, with their families, or with their teachers. This will also give you access to their Book Flix and Watch & Learn Libraries.

Scholastic Learn at Home: Grades PreK-K

Welcome Kids and Parents!

Before you get started, you must first set up your **free account** for Book Flix and our Watch & Learn Library. It's simple—just use the following info:

username: **Learning20** | password: **Clifford**

Link:

<https://classroommagazines.scholastic.com/support/learnathome.html>

Username: Learning20

Password: Clifford

Day 1: Animal Studies - Rabbits

Watch the Story:
Morris's Disappearing Bag by Rosemary Wells

Read the Book:
Rabbits by Hollie Endres

Academic Time Ideas

Starfall:

Starfall Education Foundation is a publicly supported nonprofit organization. We create free and low-cost experiences whereby children can successfully learn through exploration. On the Starfall website and in Starfall classrooms, children have fun while learning in an environment of collaboration, wonderment, and play. We teach through positive reinforcement to ensure children become confident, intrinsically motivated, and successful.

Khan Academy Kids:

Khan Academy Kids was developed in collaboration with learning experts at Stanford and aligned with the Head Start Early Learning Outcomes Framework and Common Core Standards. This program engages kids in core subjects like early literacy, reading, writing, language, and math, while encouraging creativity and building social-emotional skills.

What if I don't have Internet Access?

Several providers are offering free or low cost internet during this time:

<https://corporate.comcast.com/covid-19>

www.fcc.gov/consumers/guides/lifeline-support-affordable-communications

www.verizon.com/support/residential/account/manage-account/lifeline-discount

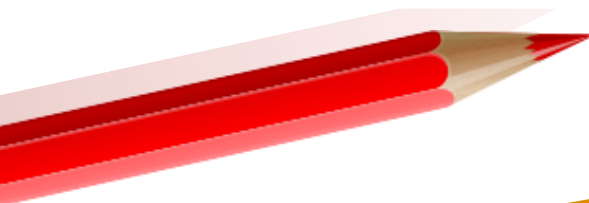

Many smart phones can be turned into a "hotspot" for use by other devices. Depending on your provider and plan, this may be either free or a small additional charge to your service. If you are unsure about your plan, contact your provider for details.

If you know that your plan provides for hotspot use, this article by PCMagazine, [How To Turn Your Phone Into a Wi-Fi Hotspot](#) should help.

See <https://www.mtisd.org/district/technology/internet-at-home> for more information.

Compiled for MPG by Christina Genes- Christina is a lover of Jesus and children, mom to a 2-year-old, and is a 5th Grade Teacher and Technology Coach and a Level 2 Google Certified Educator.

Thank You!

Proverbs 22: 6 says,

Start children off on the way they should go, and even when they are old they will not turn from it.
